

FISCAL NOTE

HB 1819 - SB 1931

March 5, 1997

SUMMARY OF BILL: Requires that any paramedic, emergency response technician, fire fighter or first response worker may request a medical evaluation of a person with whom they have had contact, if they believe they have been exposed to a life threatening air- or blood-borne disease. Such evaluation is to be requested in writing and shall include all medical records held by the Department of Health or other health care provider.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures - Not Significant

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first name "James" being the most prominent.

James A. Davenport, Executive Director
